Dear (Boss' name here),

(Your Name) really wanted to make it in today after the night of Super Bowl festivities. (Your Name) thought after the 6th beer and 5th shot of whiskey that his/her goal of attendance was still attainable. Funny how you think you are super human in that state of being. Well (Boss' name), turns out, (Your Name) is NOT super human and will NOT be gracing you with his/her presence today. You will be happy to know, that (Your Name) has learned from this experience and will never pretend that he/she wants to be a productive person "the day after" again.

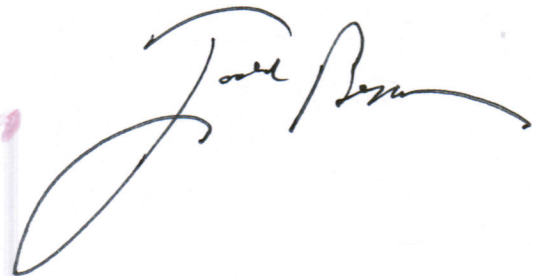

Please delegate all (Your Name's) work to (Hated Co-Worker's name). I am quite confident, after a day of cleaning up the mess (Hated Co-Worker's name) has made in (Your Name's) absence, you will welcome him/her back with open arms, tomorrow.

Empathetically Yours,
